

600-700 doctors unemployed. It is my intention to see that all of them are employed regardless of caste, colour or community.

MR. DEPUTY SPEAKER.—That is enough.

SRI C. M. ARUMUGHAM.—Sir, Please give some time, I am making out a point. I am not asking for a dispensary for my constituency. I am discussing a policy matter. He found fault with some members of the recruitment committee.

MR. DEPUTY SPEAKER.—I am requesting you ; please help me so that I may help other members.

SRI C. M. ARUMUGHAM.—Mr. Deputy Speaker, kindly bear with me.

So that committee was abolished. Then how are these appointments made ? I want all those who have had no chance to be given a chance.

SRI H. SIDDAVEERAPPA.—Some of you objected ; therefore, I abolished that committee and I have kept the matter before the Cabinet as to what we should do.

SRI C. M. ARUMUGHAM.—I want that those who were prevented those who were asked to sit out they should have better preference, because it is not through the P.S.C. Through the P.S.C. it is very costly. That is my submission.

SRI H. SIDDAVEERAPPA.—I agree.

SRI C. M. ARUMUGHAM.—I want our Health Minister not to consider that we are attacking him, on grounds of community. I have not said it. Even Mr. Thimmappa also did not say that. It is not our intention also. Therefore Sir, as I have said, streamline or strengthen our district hospital ; improve one of the hospitals in Bangalore and bring this Manipal Medical College under the control of the Government.
